Shall We Tune In on the Dial of Today?

Upon the most modern of themes, television, is based the DIAL for 1940. It is with pleasure that we, the staff, allow this pictorial record to pass in review before the Students of University City High School and we hope that you may "Dial" through this volume with pleasure many times.

*Above these portals are graven the
ideals of our school — those of all
humanity.*

To tell us of our land—its glorious past, its living present—this is his task. For this and for the helpful guidance that he offers to the students, the DIAL of 1940 finds it a privilege and a pleasure to dedicate this volume to its loyal friend—

W. E. KETTELKAMP

Before Our View Comes First

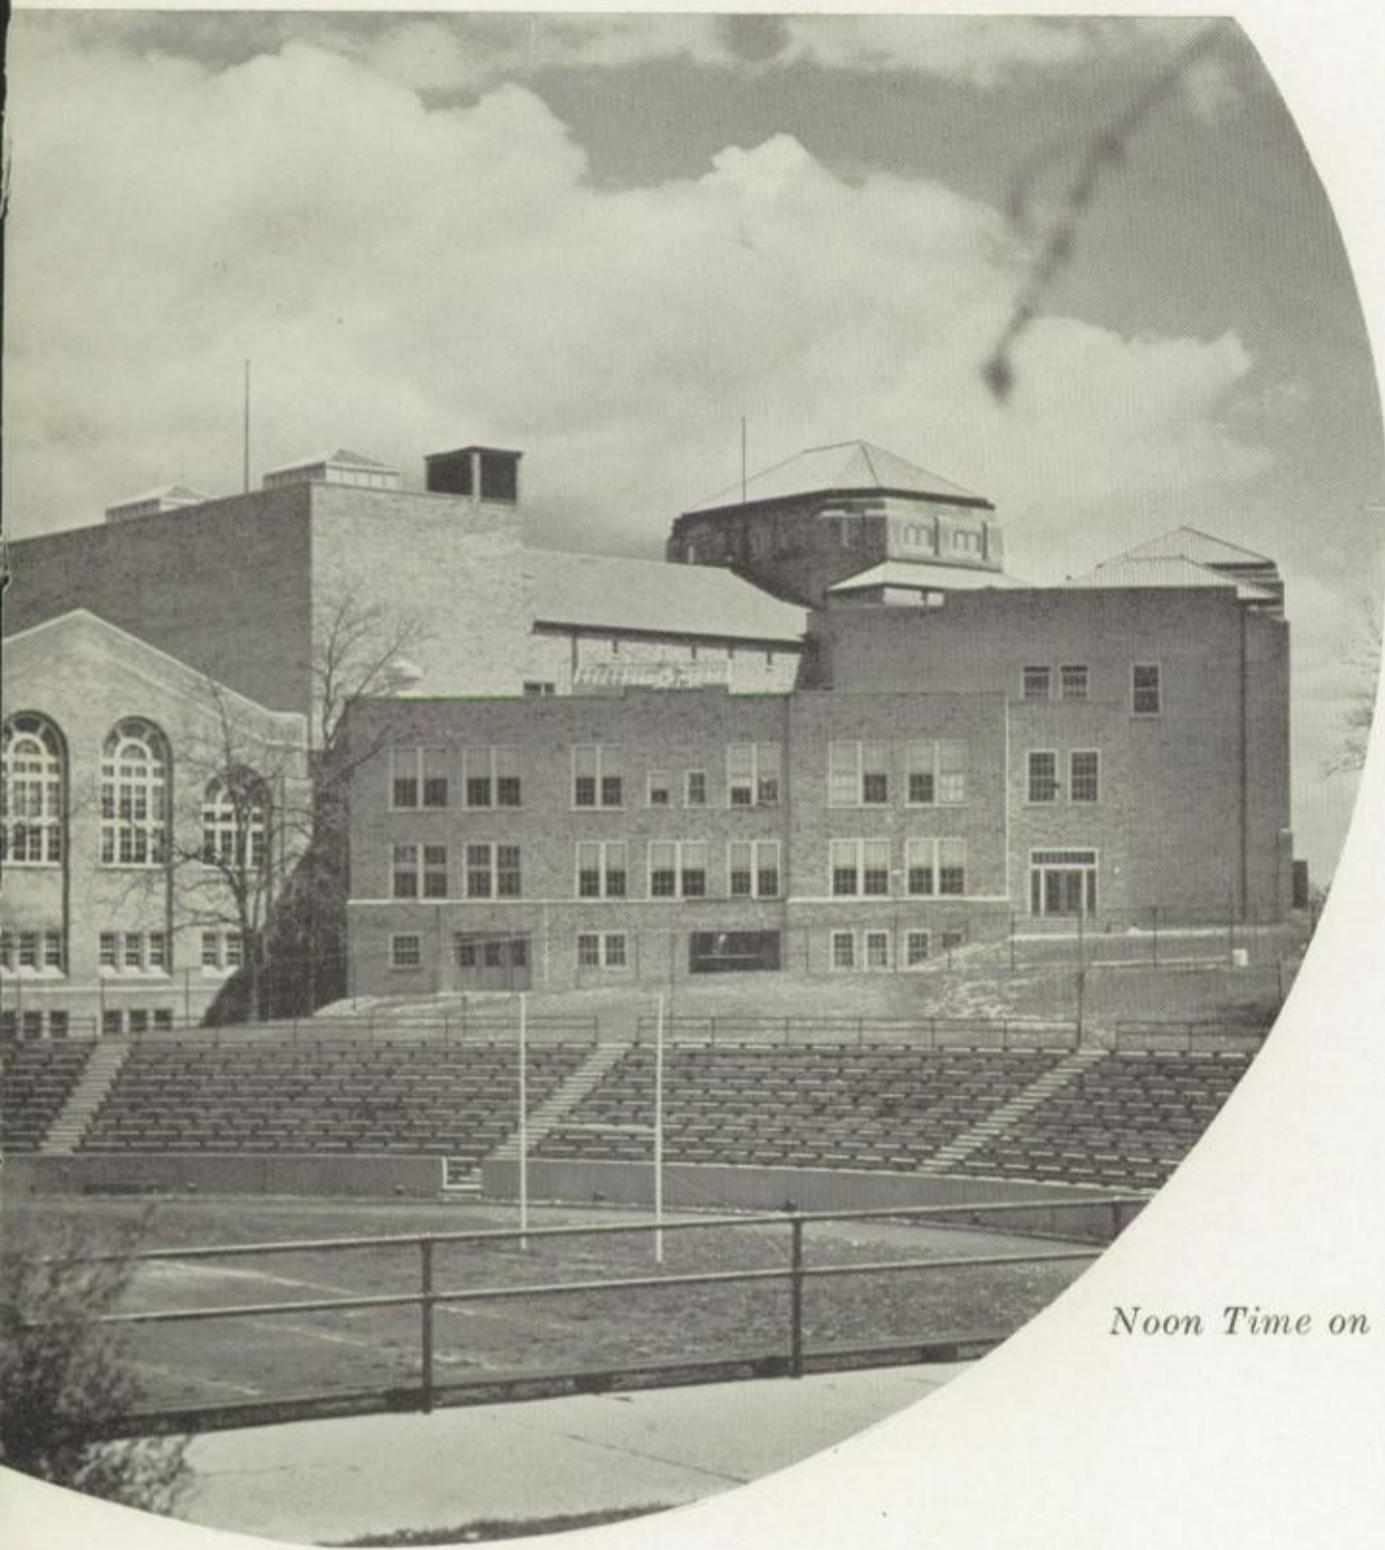

For You, the Students,

Your todays for your tomorrows.

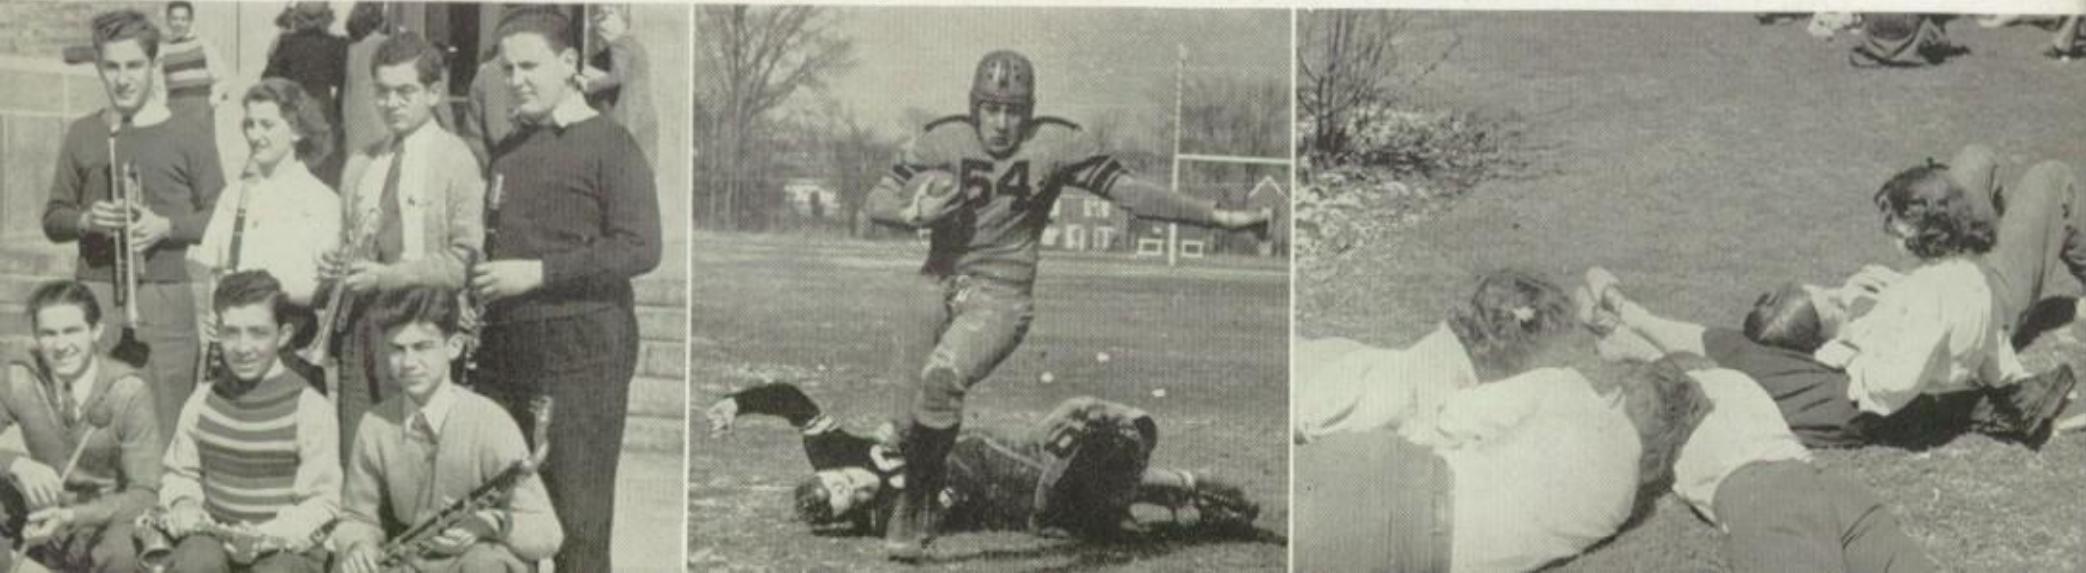

In order that you may not soon forget your pleasant days of youth at University City High School, this DIAL for 1940 is presented to you, the Students.

Our Campus Beautiful . . .

BEAUTY is truth, truth beauty"—upon this idea are founded the principles of instruction in University City High School. Its faculty endeavors to show in shining realism the truth in beauty—in the beauty of art, of literature, and of music. Nor does that faculty neglect to illustrate in clearly defined terms the beauty in truth—in the truth of science, of history, and of mathematics. Our building, our campus itself is a thing of beauty, and its lines are straight and lofty, indicative of truth. We are proud to present, in these pages, the products of such a faculty and of such a school.

School Calendar

SEPTEMBER, 1939 — JUNE, 1940

September Seventh,
and the meek little
Sophomore
stands shyly
at the door
of Room 105
and
cautiously inquires
the location of
Room 105.
The Students select,
as their president,
Ninian Edwards
and
real work gets
under way.
Mr. Muhl's
mighty musclemen
give,
throughout the year,
an excellent exhibition
of their prowess
and
the Muhl strategy
by
becoming undisputed
Champions
in the field of
Football.
Hi-Y
presents
its first dance
just before
Thanksgiving—
we all appreciate
the dance—
and
the Turkey.
The Student Council,
not to be
outdone,
gives its dance.
A howling success
was

the Senior Play—
“Growing Pains”
we all have felt.
Mr. Falkenhainer
and his
Band
gave a
Swell Affair
just before
Santa Claus
arrived—
with ten full days of
Vacation.
School resumes,
seniors cramming
for exams—
graduation follows.
A singular honor
is bestowed
on Jean Bass—
the new
Queen
of the Hi-Y.
Edwards presents
the gavel to
Bob Sokol
the new
Student President.
“Orson” Ausbeck
provides
many laughs in
the
French Play.
Basketball
is over—
Track and
Baseball
begin.
Mr. Mechelson
produces
“On Our Way”—
the
enjoyable
musical revue.

Spring
and all its
vicissitudes
have arrived:
Senior-itis
becomes a
contagious disease—
besides
how can one
study
when the Birds
and
the Trees
and
Kay Kyser
call us
away
from school.
The Student Council
Queen
is elected—
lucky
Student Council.
The Band
presents
an excellent
Concert
and
the Hi-Y
gallantly tries
to make us
forget
exams
with another
dance.
Caps and gowns
soon follow
and
fond farewells
resound
through the halls—
empty, now,
until
September.

SCHOLARSHIP alone makes but a poor man! It is the recognition of this fact that causes University City High School to offer to its students a wide range of extra-curricular activities. Under the guidance of able instructors, a widely diversified program is offered—one that includes dramatics and science, photography and mathematics, languages and debating, art and workmanship—a program, in short, that “is so full of a number of things” that it includes something to appeal to every student and give him an opportunity to make of himself a more alert, a more appreciative individual.

Strut and Fret, the high school dramatic club, was organized for the purpose of furthering the appreciation of the theater. The members are given an opportunity of displaying their talents. The club now has a membership of thirty-two students who apply for membership by offering a dramatic skit. Applicants are selected for their dramatic ability.

This year the club presented its first major production, "The Princess and Mr. Parker."

Fourteen years ago Le Cercle Francais was organized for the purpose of giving those interested a chance for further understanding and knowledge of France and its customs outside the classroom. All members, chosen by tryouts, must have completed one year of French with at least an eighty average. The organization is divided into three groups—Music, Literature, and Games and Conversation—which hold meetings in rotation. At the completion of three of these a general business meeting is called.

During the second semester the annual French play is produced. This year two one-act plays were presented: an old farce, *La Farce du Cuvier*, and *Les Precieuses Ridicules* by Moliere.

Der Deutsche Verein, now one of the largest and most active clubs in the school, was organized three years ago. Membership is open to all students who have a semester of German with a "C" average or better.

Included in their extensive program for the past year have been a quiz on Germany spoken in German, a Christmas party, several interesting talks by people well acquainted with German life, a picnic, a musical program, and reports by students recently arrived from Germany.

The club gives the members a better understanding of German life and of the country, and a chance to practice the use of the language.

Growing Pains presents George and Terry, the problem children of Professor and Mrs. McIntyre, who keep their parents in hot water by their typical adolescent actions at a party they give ending with George's arrest for speeding while getting ice cream for his guests. Things finally settle down after a hectic night for all which George spends in jail. "Growing Pains" provided one of the most typical and amusing plays ever given at University City.

The Classical Club of University City High School is an affiliate of the National American Classical League. This organization was formed so that its members might gain a more thorough knowledge of the language and of the people about whom they are studying. This year's program includes a survey of the Greek language. Students who have completed one year of Latin are eligible for membership in the club. A major objective of the Classical Club is to prove that the classics are not dead; rather they are a living part of our daily lives.

The Current Events Club was organized to enable its members to gain a more complete understanding of the news. In this period of swift moving events, group discussion work, such as this club provides, is most valuable. The club maintains a bulletin committee to post items of current interest on the first floor bulletin board. Persons wishing to join this club may apply for membership at the beginning of each semester. They are required to speak briefly on a current subject selected by the members. Applicants are selected on the basis of their information and clarity of thought.

The Science Club has completed its first year after being organized from the Boys' and Girls' Chemistry Clubs last June. It has met every Tuesday in room 310. An assembly in January was the chief project of the first semester. Some of the interesting demonstrations put on by club members during the year dealt with high frequency electricity, liquid air, the Babcock milk test, fire extinguishers, and marometric flames.

Nearing the end of its third year of activity the Boys' Glee Club, under the direction of Mr. Mechalson, looks back upon a year of extremely interesting and constructive work and pleasure.

With a membership of thirty-six boys, the club meets on Monday afternoons. They have sung for the Mothers' Club and have had a large part in the annual Christmas program. Most of the male members of the chorus in the revue, "On Our Way," given both for our school and for the N. E. A. Convention, were boys in the club. In singing for the N. E. A. Convention they received national recognition. It is interesting to note that a majority of the male leads in the revue was taken by members of the club.

Working within the club is a special group of eight boys who do novelty numbers. They have sung for the Mothers' Club, in Assembly, and for an oratorical contest.

The Torch

The Torch is the University City Chapter of the National Honor Society. Only seniors are eligible and are elected to the Torch by the faculty on the basis of the four principles of the society: scholarship, leadership, character, and service. The purpose of the organization is to honor those students who stand highest in the above mentioned qualities and to act as a stimulus to the student body at large to strive to reach those qualities.

The "U" Club, under the sponsorship of Helen Manley was organized thirteen years ago. Activities of the club, aside from those involved in the physical education department, include periodic programs, holiday charities, a Mother-Daughter tea, and an annual spring banquet. Members finance the club through dues and the sale of candy, sandwiches, and beverages at athletic events.

The Wanderlust Club does exactly as the name implies; it travels about St. Louis seeing the sights of interest. This year the trips which are scheduled every other Friday have ranged from bakeries to printing presses.

Although the club is limited to forty members, no special requirements are necessary.

The Yum-Yum Club is a cooking club for girls and was founded in October of 1939. This is, therefore, the club's first year, but it has proved to be a great success.

Occasional field trips are taken but the girls would rather learn to prepare some new delicacy at their gay, weekly gatherings.

The Art Club, one of our oldest organizations, affords an opportunity for artistically inclined students to dabble in paint or ply the various crafts after school. At the end of the first semester we gave a tea for the faculty, an annual event which has become a tradition in the club. For our own entertainment we had a Christmas party with a tree and presents for everybody, and at the end of the school year a picnic at Miss Flinn's studio.

The Mathematics Club, whose purpose is to study those phases of Mathematics for which there is no time in the regular courses and to further an interest in the subject among the student body, adds another successful year to its record. A student is eligible for membership if he has completed Geometry 2 with a "C" average or above.

During the past year our major activities consisted of trips, talks on many interesting topics in the mathematical world and experiments with the slide rule.

The Rifle Club was organized in the University City High School in 1939. It is affiliated with the National Rifle Association. The purpose of the club is to acquaint the student with the proper use of firearms and to provide a healthful, wholesome sport throughout the year. The chief activity of the club is the qualification program leading to Expert and Distinguished Riflemanship. A boys' team, selected to represent the club in a series of matches at intervals throughout the year, won the district all team matches with a high score of 720.

The Intramural Sports

Bromet, Frolichstein, Barker, Cotler, D. Frolichstein, Adzick, Shanahan, Magario
Rifkin, Marlam, Guest, Sacks, Schweitzer, R. Staley
Ausbeck, Pattiz, Orenstein, Spiegelman, Drummond, Varley

The word "intramural," which comes from the Latin, has the meaning of "within the walls." Intramural sports, therefore, has the meaning of "sports played within the walls," or in the English sense of the word, sports played among members of the same school or organization.

In our senior high school there is a program of intramural sports. This program is designed primarily for those boys, who for various reasons, are unable to participate in a major sport. The sports are conducted as near to the season when they are generally popular as possible.

The program consists of softball, touch football, basketball, track, boxing, wrestling, table tennis, archery, tennis, golf, badminton and bowling. In the main, most of these sports are sponsored by Mr. Farley.

To the boys who are on championship teams or are individual champions of a particular sport, intramural championship emblems are awarded.

The entire program is aimed at providing after-school activity for all boys. Changes in the program are made from year to year in an effort to better fit the boys' interests and abilities.

The Orchestra

Director — MR. FALKENHAINER

This year the orchestra has made more public appearances than ever before in its history. In addition to playing at the Christmas assembly, the Opera House, and the Senior Play in the first semester, the group of musicians was heard at the dedication ceremonies of the U. City Public Library and at the County Superintendents' banquet. After furnishing music for the mid-year graduation, the orchestra participated in the revue "On Our Way" at both the world premiere and at the U. City performance. A smaller ensemble played at the French Play.

THROUGH sports we endeavor to "observe the golden mean" between mental and physical activity, since all else is of little value if personal health is lacking. The development of our bodies and of good sportsmanship, too, is one vital purpose of our education. The following pages, therefore, are devoted to the presentation of those who were outstanding in their desire to make themselves physically fit and especially to those students who excelled in athletics, not for their own selfish interests but for the enhancement of the prestige of their school. Their loyalty, their fine school spirit, we highly recommend.

Playing champion opponents in its early games, the twelfth edition of the Muhl-Schemmer coached Indians went scoreless while receiving a strenuous football education. Then reaching the heart of the schedule, with cripples healed, the Black and Gold upset all its favored opponents to annex another Suburban title.

Headlines of the metropolitan papers graphically tell of the great finish: "U. City, Led by Blumberg, Humbles Webster, 19-12; Veteran Redskin back scores two touchdowns, aids in third with runs of 75, 70, and 25 yards." "Univ. City's Second-Half Offensive Downs Normandy, 14-6; Bud Harvey goes over line twice—Tackle shifted into fullback position after intermission—Pass to Rawlings and runs by Blumberg set up scores." "Quincy's Unbeaten Eleven Defeated by Indians Here, 13-7; Blumberg goes 90 and 60 yards—Indians excel in blocking." "University City Team's Goal-Line Stands Stop Maplewood; Leafs, seeking 9th straight victory held to 0-0 tie by a courageous U. City eleven; Indians Capture Suburban Title." "U. City Beats Hyde Park at Chicago, 21-13; Game witnessed by crowd of 3,000—Safety by Bleich and Mersman, Appleby's punting, features—Rifkin scores twice, Blumberg scintillates brightest of brilliant career."

SUBURBAN CHAMPIONS

Sept. 21	Beaumont (night) ('39 City Champions)	0-12	Away
Sept. 30	Mo. Mil. Acad. ('38 Conf. Champions)	0- 0	Away
Oct. 6	Soldan ('38 City Champions)	0-14	Home
Oct. 21	Webster	19-12	Home
Nov. 2	Normandy	14- 6	Home
Nov. 11	Quincy, Illinois	13- 7	Home
Nov. 17	Maplewood	0- 0	Away
Nov. 23	Hyde Park (Chicago)	21-13	Home

Teamwork in its essence—"the more we get together, the happier we'll be"—characterized the season. Blocking was gallantly done for Blumberg and others. The defense, facing such star backs as Tevis and Keller of Beaumont, Lombardo of Soldan, Curran of Quincy, Monola and Flavin of Maplewood, and Meehan and Marks of Chicago, demonstrated its gameness to the core.

Bud Harvey was elected honorary captain and Blumberg most valuable player by the lettermen. The St. Louis District honored Lefty with third most valuable player, and Bud with third most valuable lineman. Rawlings, Bleich, Mersman, and Rifkin were also cited on various All-Star teams. The Junior Varsity turned in a record of 4 wins, 2 losses, and a tie against good competition. The Sophomores were "also rans."

Thanksgiving morning football was inaugurated and approved so wholeheartedly by football fans that it will become a regular event. A challenging schedule awaits the 1940 Varsity. It is hoped its competitive mettle will measure up to the high quality of the fighting 39ers.

Seasonal games such as hockey, basketball, volley ball, and baseball are included in the team sports program. Interest is keen and many girls participate in the interschool varsity sports days which are scheduled in every sport. Successful seasons were enjoyed by all the groups; the hockey and volley ball teams lost only one game, while the basketball team finished the season undefeated.

(State champions)

Two in one—almost a new team each semester—combined to place University City on top of the Suburban standings with a 7-4 League record and a 13-7 season record. Five one-point games were played—thrillers with Webster, Clayton, Kirkwood, and the City champions, Soldan. Season surprises—the fine team-play of the second semester team, and Tuscumbia and Clayton, the wrong way. Outstanding features—the four game trip to Fulton, and playing the State champions, McBride, its best game in the St. Louis Tourney. Blumberg starred the first semester, while Sauer, Gaines and Bernard Eder received end of season honors. Gaines was elected honorary captain and Sauer—free-throw champion—most valuable player. The Junior Varsity won its three games from Ste. Genevieve "A," Soldan and Kirkwood, while the Sophs came out second best in most of its games.

Pattiz (Manager), Russell, Fehl, Lewis, Appleby, Sacks, A. Mueller, D. Sauer, Schweizer (Manager)
Drummond, Flowers, B. Sauer, Steinbaum, Kolker, Weinischke

With only one regular, Bob Appleby—pitcher, and two reserves, Jack Lewis—catcher and Herbert Sachs—pitcher, Mr. Farley's Indians started the baseball year. None of the other players had played more than 2 or 3 innings. The two practice games with Central and Roosevelt very satisfactorily lined up the playing ability of everyone on the squad.

After a great start of defeats handed to Soldan 3-2 and Bluett 6-2 the Indians dropped a game to Southwest 10-3. In the county the percentage is the same with a win from Webster Groves 5-1 and Normandy 6-5 but with one defeat at Ritenour 6-5.

As a whole, however, the team's playing hasn't been consistent.

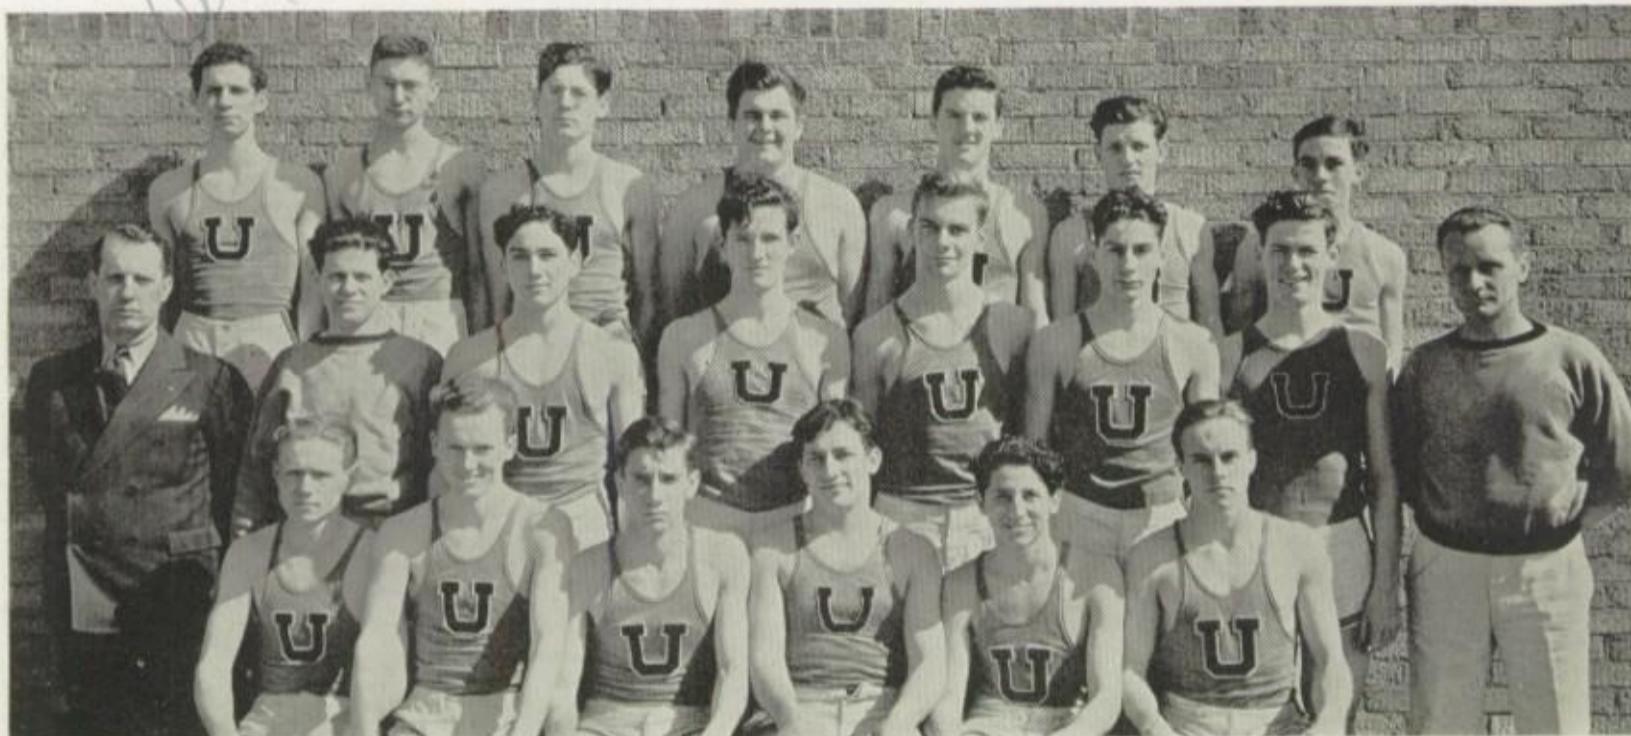

Those who have shown up regularly to date and are regulars are: Bill Weinischke, Jerry Steinbaum, Ed Flowers, Jean Fehl, Dick Sauer, Floyd Russell, and Bob Sauer.

Those who have seen quite a bit of service are: Mel Kolker, Ray Staley, Art Mueller, and Roland Gove.

The team has yet to play Wellston, Western Military Academy, Kirkwood, and Clayton.

With no returning senior lettermen from last year's squad, Coach Henry Schemmer started his twelfth season as track coach at the U. City. The first big meet was the State Indoor, and for the first time in ten years the Schemmer charges were defeated, placing third in the final standings. Individual points were earned by Bernard Eder who leaped to second place in the high jump to a height of 5' 9", Jack Goldman who placed third in the broad jump with a leap of 20' 8½", Clark Smith who topped the timbers to gain a fourth in the hurdles, Ray Hazer whose fleet legs carried him fourth to the tape in the 60 yard dash, Balfour Slonim who heaved the shot 44' 5" for another fourth, and the medley relay team consisting of Barbieri, Hirach, Silverblatt, and Morley, which was nosed out of first by an inch.

In the District meet the Indians met with some stiffer competition and ended up in third place. The junior team did better than the senior by coming within a few points of first place in their division. Outstanding for the juniors were Bernard Barken, George Moll, Bob Spector, Bob Grossman, Eli Rottman, Paul Christianson, Ivan Strautman, and Kennard Morganstern.

The next event was the third annual U. City Invitational Meet for the county teams. Although the Indians were not favored to score many points, the U. City cinder men surprised many by winning the meet. Probably the turning point of the meet came when Ray Hazer scored a first in the 220. After these individual efforts it was plain to see the Black and Gold was again on its way to victory. Bernard Barken again proved outstanding by breaking records in the 50 and 100-yard dashes. The new records were 5.6 seconds for the 50, and 10.1 seconds for the century.

Between these meets, the U. City track team kept its record clean in dual meets by defeating Kirkwood, St. Louis and Beaumont.

As this DIAL goes to press the State Outdoor meet is the only one left on the 1940 schedule, and if the Indians perform as well as they did in the Invitational, they may surprise the experts by being higher in the final scoring than is expected of them. Last year the Redskins won their seventh championship in nine outdoor seasons.

The twelfth annual interclass track and field meet and the "all-around" school champion events are still to be held.

Taberna, the Workshop, was organized in 1937 for those girls who are interested in Modern Dance and want to spend more time on dance composition and difficult achievements than they have in class. There are several organized trips to other schools each year for instruction and entertainment. This year we visited Normandy and in turn entertained them. Any girl who knows the basic movements of the Modern Dance may become a member of the group by passing certain tests.

The 1939 golf team had only a fair year with 3 wins, 4 losses, and a third place in the St. Louis District Golf tournament. Two of the defeats were at the hands of the 6-man Kirkwood and Webster teams by a single stroke and two strokes respectively. Other squad members were Edgar Mann, Earl Wolfe, Jack Conrades, Bob Sauer, Bob Huette, Wyot Woods, and Stanley Zambruski.

The 1940 team is faring no better. After defeating Maplewood, the squad has lost to Clayton and Webster at this writing. Little Eddie Magario, alone, is playing an excellent game. Other members are Long, Fogle, Woods, Huette, Gordon Barker, Bennett Sher, and Ray Popkins.

Captain Ralph Hart, ranked seventh in the Junior District, led the team to an even break in four matches. "And the rains came" causing another abbreviated schedule. Wilbur Eckstein, Deck Cox, and Anson Klauber were other squad members.

The 1940 squad is just starting on its schedule of eight matches. Eckstein and Bruce Ritchey are battling for #1 honors. Others are Klauber, Joe Berger, Art Wissman, Bill Evans, Harold Faulk, and Allen Knabe.
